The Sons of Utah Pioneers entry in the Bountiful Handcart Days Parade includes some younger pioneer sons and daughters, too, as well as a modern version of a covered handcart similar to those that carried the possessions of early Utah settlers as they arrived in their new home after walking from the East. One of the largest holiday processions in the state, the parade flowed down Bountiful's renovated Main Street Monday night, with floats, horses and musical groups celebrating the theme "Pioneers and the Future." The annual Handcart Days celebration continues Tuesday with concessions and games at the Bountiful 400 North Park.
